

Central Florida ASSE Ergonomics Conference

November 4th, 2009—Orlando Repertory Theater

The Central Florida Chapter ASSE will be hosting a one-day ergonomics conference with ten sessions covering topics such as:

- Office Ergonomics
- Workstation Design
- Ergonomics in Construction and General Industry
- Workers' Compensation Issues Around Ergonomic Injuries/Illnesses
- Body Techniques for Ergo Injury Prevention
- Human Factors/Design
- Rehabilitation After an Ergonomic Injury or Illness
- Driving Ergonomics Through Kaizen Events

Additionally, OSHA and the Central Florida Chapter will be signing an OSHA Alliance on Ergonomics at the conference.

To register, go to www.centralfl.asse.org and pay by Paypal. Registration is \$40 and includes lunch.
